## WHAT OUR GUESTS SAY

"The Odyssey is blessed with a wonderful staff and an extremely well run ship. It was an absolute delight to work with the Odyssey in the operation of our event. Based upon the feedback that we received both yesterday and this morning, the cruise was a terrific success and has created quite a 'buzz' amongst our industry peers."

Without hesitation, I would give the Odyssey 10 stars for friendly, caring and attentive staff, and 10 stars for excellent presentation and fabulous food. I know if anyone makes the decision to sail on the Odyssey for their holiday party, it will not be a decision that they regret!"
