“Our management team heard nothing but praise for such a wonderful event; it was a first for our group to sail on the *Spirit of Philadelphia* and they loved every minute—they raved about the food and the service was impeccable.”

WHAT OUR GUESTS SAY.

“My wife and I attended an event on the *Spirit of Philadelphia* in June and we had a wonderful time. The food, service, and entertainment were fantastic and the staff and crew could not have been more hospitable. The views of the city from the Delaware River were incredible, and we especially enjoyed the open air of the top deck – it was like being on a cruise ship. Parking and boarding was easy and convenient. We are planning another trip with our friends very soon.”

Gerald
Philly Car Share

“My wife and I took the trip on the *Spirit of Philadelphia* with a group this summer, and we had a GREAT time. We recently took our first cruise to the Caribbean; and surprisingly we found the food and entertainment on the *Spirit of Philadelphia* to be as good, if not better, than that on the cruise line we took. As we stood on the deck in the summer evening breeze, we saw our Delaware River in a far different light and enjoyed each other's company on this fine ship.”

Brian
State Farm Insurance

“I hadn't been on the *Spirit* in a number of years and wasn't sure what to expect. To my pleasant surprise, we were greeted with professionalism and were guided on to the ship swiftly. We really enjoyed the festive atmosphere. The servers were engaging and talented, to say the least! Everyone at our table gave them all a ten, like we were judges on *American Idol*. It was a fun experience. The bar service was great and the food was really delicious. The vegetables were hot and fresh, the entrées were tasty, and the carving station was a nice addition. I can say without a doubt both experiences were a home run. I have recommended the *Spirit of Philadelphia* experience to many friends and clients since my own fabulous cruise! I look forward to cruising again soon!”

Mike
Volt Workforce Solutions

“I thought that the event planning was very professional and concise and I was impressed by the cleanliness of the ship, especially the restrooms. My entire party commented on how tasty the food was and how great the presentation of the food was. It was a treat to be entertained by the service staff.”
