Here's a glimpse at what recent cruisers have to say:

"I would like to express my experience with you regarding our company outing on the *Spirit of Philadelphia* on June 25th. First and foremost, the personalized service each of us received was exceptional. The professionalism, menu selection and entertainment were all of the highest quality. I've chosen different venues in the past for our outings, and this, by far, exceeded everyone's expectations. It was a job well done by you and your staff and I thank you. I highly recommend the *Spirit of Philadelphia* for any type of outing."

"My wife and I attended an event on the *Spirit of Philadelphia* in June and we had a wonderful time. The food, service and entertainment were fantastic and the staff and crew could not have been more hospitable. The views of the city from the Delaware River were incredible, and we especially enjoyed the open air of the top deck – it was like being on a cruise ship. Parking and boarding was easy and convenient. We are planning another trip with our friends very soon."

"My wife and I took the trip on the *Spirit of Philadelphia* with a group this summer, and we had a GREAT time. We recently took our first cruise to the Caribbean; and surprisingly we found the food and entertainment on the *Spirit of Philadelphia* to be as good, if not better than that on the cruise line we took. As we stood on the deck in the summer evening breeze, we saw our Delaware River in a far different light and enjoyed each other's company on this fine ship."

"I hadn't been on the *Spirit* in a number of years and wasn't sure what to expect. To my pleasant surprise, we were greeted with professionalism and were guided onto the ship swiftly. We really enjoyed the festive atmosphere. The servers were engaging and talented, to say the least! Everyone at our table gave them all a ten, like we were judges on American Idol. It was a fun experience. The bar service was great and the food was really delicious. The vegetables were hot and fresh, the entrées were tasty, and the carving station was a nice addition. I can say without a doubt both experiences were a home run. I have recommended the *Spirit of Philadelphia* experience to many friends and clients since my own fabulous cruise! I look forward to cruising again soon!"

"The students and staff enjoyed the *Spirit of Philadelphia* very much. As the planner of the 8th grade trip I will certainly book this trip again. The staff and crew on the ship were professional and entertaining."

"From our initial contact to the last person to disembark the ship, we have received nothing but the best in service from our team at the *Spirit of Philadelphia*. Our Account Managers were the utmost professionals and knew just how to handle a group of our size while planning our event. Every logistic was handled with ease and our event was seamless! It was a first for our group to sail on the *Spirit of Philadelphia* and they loved every minute – they raved about the food and the service was impeccable. We will look forward to having future events with the *Spirit* lines."
